FALL & WINTER STREET SWEEPING SCHEDULE

In preparation of the upcoming leaf collection season, the City of Hartford Department of Public Works will revise the street sweeping schedule. **Effective October 27, 2003, street sweeping will follow the collection schedule for loose leaves by vacuum trucks, as outlined below:**

TRASH COLLECTION DAY

Monday and Tuesday

Wednesday and Thursday

Friday

LEAF COLLECTION WEEK

Weeks of Oct. 27 & Nov. 17

Weeks of Nov. 3 & Nov. 24

Weeks of Nov. 10 & Dec. 1

Everyone is encouraged to obey current “no parking” signs on streets during sweeping operations to permit the efficient cleanup of streets. Streets with high demand parking will be posted with temporary “No Parking” signs 24 hours in advance. Residents are encouraged to do their part by moving their cars to avoid tickets and towing to ensure that their street will get the maximum benefit from the street sweeping.

Additional sweeping in problem areas will continue to take place on an as required basis.

Let's continue to work, as a team, to keep **Hartford Clean and Beautiful** year-round. If you have any questions or comments, please call our DPW Customer Service Center at 543-8765 or the Recycling Office at 543-8609. Thank you for your cooperation.

Please note that our regular street sweeping schedule will resume, behind waste & recycling collection, in May 2004 after winter sand removal.
